I recently spoke with {POC YOU ARE WORKING WITH FOR DATA COLLECTION} about the study. I explained that at this time, [NUMBER FROM PATIENT LIST] patient[s] identified [PROVIDER] as a source of health care during 2014. [The/Each] patient signed an authorization form allowing us to contact you for information about the diagnoses and services provided by [PROVIDER] in 2014. Much of the information we need is within the (billing and payment records/medical records).

{POC YOU ARE WORKING WITH FOR DATA COLLECTION} has agreed to participate and provide us with the information we are looking for, but has requested that we first send you a copy of the authorization form[s] in order to receive permission to release the data to us.

I'm calling to confirm that you are in fact the best person to receive the forms[s] and information about the study by fax, and confirm your contact information so that I can address the fax to you.
