A Survey About Your Diabetes Care

The care of people with diabetes is an important concern of the U.S. Department of Health and Human Services. Please take a few minutes to answer the following questions on the care you received for your diabetes. Your participation is voluntary and all of your answers will be kept confidential to the extent permitted by law. If you have any questions about this survey, please call Alex Scott at 1-800-945-MEPS (6377).

This survey should be completed by →

NAME: _____

DOB: / / **PID:**

MONTH DAY YEAR

RUID:

When you have completed the survey, return it to your interviewer.

This survey is authorized under 42 U.S.C. 299a. The confidentiality of your responses to this survey is protected by Sections 944(c) and 308(d) of the Public Health Service Act [42 U.S.C. 299c-3(c) and 42 U.S.C. 242m(d)]. Information that could identify you will not be disclosed unless you have consented to that disclosure. Public reporting burden for this collection of information is estimated to average 3 minutes per response, the estimated time required to complete the survey. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: AHRQ Reports Clearance Officer Attention: PRA, Paperwork Reduction Project (0935-0118) AHRQ, 5600 Fishers Lane Room #07W42, Rockville, MD 20857.

A Survey About Your Diabetes Care

Instructions: Answer each question by marking one box or filling in a number when necessary. If you are unsure about how to answer a question, please give the best answer you can.

A **health professional** could be a general doctor, a specialist doctor, a nurse practitioner, a physician assistant, a nurse, or anyone else you would see for health care.

1. Have you **ever** been told by a doctor or other health professional that you have diabetes or sugar diabetes?
MARK ONE.
 - Yes → **Please continue.**
 - No → **Thank you for your time. This survey is complete.**

2. During 2018, how many times did a doctor, nurse, or other health professional check your **blood** for glycosylated hemoglobin or "hemoglobin A-one-C"?

(A1C is a blood test to monitor the glucose level of diabetes over a period of several months. The A1C test is usually done in a lab, hospital, or doctor's office although a home kit containing materials for one or two tests is now available. The A1C test is not the same as a Home Glucose Monitoring test which is used at home to monitor glucose levels on a daily or weekly basis, and needs supplies of disposable test strips.)

If you had this blood test, fill in NUMBER OF TIMES

 - Did not have A1C blood test
 - Don't know
 - Never

3. Which of the following year(s) did a doctor or other health professional check your feet for any sores or irritations?
MARK ALL THAT APPLY.
 - During 2019
 - During 2018
 - During 2017
 - Before 2017
 - Never
