### INTRODUCTION:

May I Please speak to [POC NAME]?

Hello, my name is (YOUR NAME).

I am calling on behalf of the U.S. Department of Health and Human Services. We are conducting MEPS which is a study about how people in the United States use and pay for health care. For quality assurance and training purposes, this call may be monitored.

I recently spoke with {POC YOU ARE WORKING WITH FOR DATA COLLECTION} about the study. I explained that at this time, [NUMBER FROM PATIENT LIST] patient[s] identified [PROVIDER] as a source of health care during 2012. [The/Each]patient signed an authorization form allowing us to contact you for information about the cost of the care they received from [PROVIDER] in 2012. Much of the information we need is within the billing records.

{POC YOU ARE WORKING WITH FOR DATA COLLECTION} has agreed to participate and provide us with the information we are looking for, but has requested that we first send you a copy of the authorization form[s] for patients in order to receive permission to release the data to us.

Iâ€™m calling to confirm that you are in fact the best person to receive the form[s] and information about the study by fax, and confirm your contact information so that I can address the fax to you.
