Note: Definitions and descriptions of the methods used for this survey can be found in the Technical Appendix.

\* Figure does not meet standard of reliability or precision.

\*\* Positive standard error is the result of one or more non-certainty unit(s) in a size category that has historically contained only certainty units.

Standard errors of zero indicate that all governments in the category are in the survey.

**Table III.G.3 Employer cost distributions (in dollars) for employees enrolled in single, employee-plus-one, and family coverage at the 10th, 25th, 50th (median), 75th and 90th percentiles through State and local government jobs by government type: United States, 2015**

	All State and local governments	State governments	Local governments				
			Less than 250 employees	250-999 employees	1,000-4,999 employees	5,000-9,999 employees	10,000 or more employees
Single coverage:							
Average (mean)	6,379	6,233	6,404	6,451	6,262	6,229	6,783**
