Employee contribution non-single* coverage	78,414	2,112

Source: Agency for Healthcare Research and Quality, Center for Financing, Access and Cost Trends, 2014 Medical Expenditure Panel Survey - Insurance Component.

Notes: Definitions and descriptions of the methods used for this survey can be found in the Technical Appendix. Totals may not sum exactly because of rounding.

\* Non-single coverage includes both family and employee-plus-one coverage levels. This is a labeling change effective in 2010, however the estimates for prior years are comparable.
