Employee contribution non-single* coverage	23,561	613

Source: Agency for Healthcare Research and Quality, Center for Financing, Access and Cost Trends. 2015 Medical Expenditure Panel Survey - Insurance Component.

Notes: Definitions and descriptions of the methods used for this survey can be found in the Technical Appendix. Totals may not sum exactly because of rounding.

\*Prior to 2010, non-single coverage was labeled as family coverage. This was a labeling change only and the estimates, which include both employee-plus-one and family coverage, are comparable across years.
