Note: Definitions and descriptions of the methods used for this survey can be found in the Technical Appendix.

** Civilian employees include those employed in the private sector and in the State/local government sector. Federal government employees and unincorporated self-employed individuals with no employees are not included.

User note: for the 2015 data the upper edit bound for the individual deductible amount was recalibrated, causing the average individual deductible per enrollee, in single coverage in health insurance plans that had a deductible, to increase by about five percent at the national level.

Table XI.F.2 Standard errors for average individual deductible (in dollars) per employee enrolled with single coverage in a health insurance plan that had a deductible at civilian establishments by private and State/local government sectors and census division: United States, 2015
