Note: Definitions and descriptions of the methods used for this survey can be found in the Technical Appendix.

\* Figure does not meet standard of reliability or precision.

\*\* Positive standard error is the result of one or more non-certainty unit(s) in a size category that has historically contained only certainty units.

-- Data suppressed due to high standard errors or few reported values in cell.

**Table III.F.25 Standard errors for average copayment (in dollars) for a hospital admission per stay per employee enrolled in a health insurance plan that had a hospital admission copayment per stay at State and local government units by government type and size and census division: United States, 2016**

Division	All State and local governments	State governments	Local governments				
			Less than 250 employees	250-999 employees	1,000-4,999 employees	5,000-9,999 employees	10,000 or more employees
