BOX 10 (CS1001) Item Type: Route Type Class: If Then

#### **Route Details:**

This CS section is asked in rounds 2 and 4 only. If it is round 1, 3, or 5, continue to the next section in the questionnaire.

AHRQ will determine what subsections will be asked during each round. CAPI will need to be programmed to be configurable to this administration.

The CS section includes four subsections:

- 1. LWIM (CS10 CS140)
- 2. CIS (CS150A CS180C)
- 3. CAHPS (CS190-CS300)
- 4. Prevention (CS310 CS520)

CAPI will administer the LWIM series every R2/R4 administration CAPI will administer the CAHPS and CIS series in R2 for Panels whose R1 collection occurred in an odd year (FirstPanYear=odd), and R4 for Panels whose R1 collection occurred in an even year (FirstPanYear=even).

CAPI will administer the Prevention series in R2 for Panels whose R1 collection occurred in an even year (FirstPanYear=even), and R4 for Panels whose R1 collection occurred in an odd year (FirstPanYear=odd).

Context header display instruction: Display RU member's first, middle, and last name (Person.FullName).

BOX\_20 (CS1005) Item Type: Route Type Class: If Then

**Route Details:** If RU member being asked about is deceased, go to BOX\_140. Otherwise (RU member is a

current RU member or institutionalized), continue with BOX\_30.

BOX\_30 (CS1010) Item Type: Route Type Class: If Then

Route Details: If RU member being asked about is < or = 17 years of age or in age categories 1 through 4,

continue with BOX\_40.

Otherwise, go to BOX\_140.

BOX\_40 (CS1030) Item Type: Route Type Class: If Then

**Route Details:** Subsection 1: The first subsection is Living with Illness measures (CS10-CS140). This

subsection is asked every R2/R4 administration.

Continue with CS10.

# Programmer Instructions:

Range check:

The values for TROUBLE should be between 0 and 4 and should also include 99. A check should be conducted to ensure that any values outside of these defined produce an error and prohibit the interviewer from continuing until corrected. If a value entered is outside the allowable range, display the following hard error message: "VALUE MUST BE BETWEEN 0 AND 4 OR 99 TO INDICATE INAPPLICABLE QUESTION. VERIFY AND CORRECT."

# **Display Instructions:**

The CS150 question series represent a stem and leaf question format. Each leaf in this stem and leaf series (CS150A - CS150D) should display on the same form pane. Use the same question stem display.

Display "{The following questions are about some aspects of {your/{PERSON}'s} health.}" only when presenting the first (stem) question for this person. Otherwise, use a null display.

Display "{In this series of questions, please...}" only when presenting the first (stem) question for this person in bold, black standard text. Otherwise, display "Please rate {yourself/him/her} on a scale of 0 to 4..." in grayed-out text for each subsequent (leaf) question in this series.

Display "In general, how much of a problem do you think {you/{PERSON}} {have/has} with: "in bold black standard text for the first question (stem) for this person. Otherwise, display it in brackets and "grayed-out" text for each subsequent (leaf) question in this series.

Display each leaf in bold black standard text when its entry field is active. Otherwise, always display in "grayed-out" text.

Programmer Instructions:

Range check:

The values for NERVAFRD should be between 0 and 4 and should also include 99. A check should be conducted to ensure that any values outside of these defined produce an error and prohibit the interviewer from continuing until corrected. If a value entered is outside the allowable range, display the following hard error message: "VALUE MUST BE BETWEEN 0 AND 4 OR 99 TO INDICATE INAPPLICABLE QUESTION. VERIFY AND CORRECT."

### Display Instructions:

The CS170 question series represent a stem and leaf question format. Each leaf in this stem and leaf series (CS170A – CS170C) should display on the same form pane. Use the same question stem display.

Display "Please rate on a scale of 0 to 4 where 0 indicates no problem and 4 indicates a very big problem." In bold black text for the first question (stem) in this series, otherwise, display in brackets and grayed-out text for each subsequent (leaf) question in the series.

Display "How much of a problem {do/does} {you/{PERSON}} have:" in bold black standard text for the first (stem) question. Otherwise, display it in brackets and grayed out text for each subsequent (leaf) question in the series.

Display each leaf in bold black standard text when its entry field is active. Otherwise, always display in "grayed-out" text.
