Cycle through the leaf text in the A C sequence until all rows are displayed.
Each leaf in this stem and leaf series, should display on the same form pane. Use the same question stem display.
Display the question stem “{On this job, {{do/does}/did} {you/{PERSON}} earn...” only when presenting the first question for this person. Otherwise always display question stem in brackets and “grayed out” text.
Display each leaf in bold black when its entry field is active. Otherwise always display in “grayed-out” text.
